

LETTER OF RECOMENDATION

To Whom It May Concern,

It is my pleasure to provide a reference for Sebastian Bruce, who was employed at Delawana Resort during the 2025 season. Throughout his time with us, Sebastian consistently demonstrated a strong work ethic, professionalism, and a positive attitude that made him a valued member of our team.

Sebastian was punctual, reliable, and responsible in all of his duties. He quickly earned the respect of both staff and guests through his cooperative nature and friendly demeanor. He worked exceptionally well as part of a team, but also showed great initiative when working independently, often identifying tasks that needed attention and completing them without needing direction.

One of Sebastian's greatest strengths is his attention to detail. In his role, he consistently maintained high standards of quality and ensured that all work was completed thoroughly and with care. His ability to remain focused while also contributing to a positive and welcoming resort environment made him a real asset to our operations.

In addition, Sebastian demonstrated strong problem-solving skills and was a quick learner, adapting to new responsibilities with ease. These qualities, combined with his self-motivation and determination, will serve him well as he continues to grow in his career. His ability to approach tasks methodically, remain persistent, and deliver work of exceptional quality shows that he has the discipline and mindset needed to succeed in any role.

I am confident that Sebastian will bring the same dedication, reliability, and commitment to excellence to any future position he undertakes. He would be a true asset to any organization.

Should you require further information, please feel free to contact me.

Elizabeth Louter
